The Blair F. Collings Scholarship Program remains one of the largest single scholarship granting programs in the lumber & building material industry. Each year, the Young Lumbermens Club of ILBSA grants scholarship awards to employees and family members of ILBSA member firms, helping these deserving students to afford quality higher education.

The scholarship endowment is grown and maintained from the proceeds generated from the SYCAMORE SCRAMBLE. How? The entire event is coordinated, planned, and executed by ILBSA's volunteers who give thousands of hours, in addition to dollars, to make for a great day of fun for participants, and guaranteeing our future ability to remain a charitable scholarship-granting entity.

As a member, we encourage you to support this endeavor, by:

- Playing in the event, and recruiting players
- Sponsoring a Hole, a Game, Refreshments, or door prizes
- Making a contribution to the scholarship fund
- Joining your fellow members and friends for a great time!

The Sycamore Scramble remains one of the most fun-filled events in ILBSA, bringing together members for an enjoyable day with fellow members, all the while supporting a great cause. We look forward to seeing you at THE SYCAMORE SCRAMBLE!
